Description :

PDF-5151a | The arctic is a strange and mysterious place. Few people know anything about it, yet it covers a huge amount of the globe. There is an amazing benefit to this locale. It could be used as a springboard for enhancing the imagination of young children. In many ways, you have to use your imagination to understand the arctic. The location must be visualized in the mind and this, alone, sparks the imagi... *Arctic Wonders*
