Description :

PDF-816cf | Once, no humans lived on the continent of North America; then they began to journey, the first migrants arriving perhaps 15,000 to 20,000 years ago. When a skeleton from long-ago centuries is discovered, scientists want to study it for information about the person's life and death, about her or his time and place in history. Sometimes artists are asked to reconstruct faces from the past using ... *Faces from the Past: Forgotten People of North America*
