Description :

PDF-5ea57 | Did you know starvation kills more people every year than AIDS, malaria, and tuberculosis combined? Around the world, millions go to bed hungry every night. Farmers produce enough food to feed everyone, but the food does not get to the people who need it most. In some places, food has become a precious commodity almost like gold. Why is food scarce in some places and abundant in others? In this bo... *Food: The New Gold (Single Titles)*
