Description :

PDF-fdc86 | A small plane crashes into a cornfield and bursts into flames. The three men aboard and their pilot are killed in the inferno. The bodies are burned beyond recognition. Can they be identified? A park ranger uncovers a human torso along a walking path in a nature preserve. The next day, a sanitation worker spots two human legs jutting out of a dumpster. That same afternoon, a man finds the severed ... *Forensic Identification: Putting a Name and Face on Death (Exceptional Science Titles for Upper Grades)*
