Description :

PDF-e8a8f | About 200,000 years ago, humans arose as a species on the continent of Africa. How did they get to the rest of the world? When did they leave, why, and what did they use for transportation? Whether by bamboo raft or Boeing 747, whether to escape political persecution or because of climate change, migration is a recurring pattern throughout the human history of the world. In Human Migration: Investi... *Human Migration: Investigate the Global Journey of Humankind (Inquire and Investigate)*
