Description :

PDF-9a5e8 | From nurturing your teens to making values clear, parents exert enormous influence over their children's development. It is especially important that parents give children a good start, but it's also important for parents to recognize that kids come into the world with their own temperaments, and it is the parents' job to provide an interface with the world that eventually prepares a child for com... *Parenting Ain't For Punks: A Reflective Guide To Parenting*
