Description :

PDF-8105d | This book examines the science skills you would need to survive in the rainforest. It begins with a map showing where rainforests are in the world. The text then looks at this habitat's unique features and at how these features might help you to survive if you were on an expedition here. Aspects of survival are considered and each one is supported by a science activity which readers can perform us... *In the Rainforest (Survivor's Science)*
