Description :

PDF-8ca57 | High school and college are life-changing events for young people. Freedom, educational opportunities and new relationships await. However, very few students are entering the educational arena with the training they need to protect themselves from sexual violence and sexual predators. Studies consistently show that female students are sexually assaulted at significant rates, and what is often less... *Sobering Consent: Sexual Assault, Rape and False Claims: 4 Lessons Every Student, Parent and Educator Must Learn*
