Description :

PDF-04160 | Making friends is a skill like any other-there are rules to follow, ways to measure your progress, and reasons why some people are better at it than others. Although it may seem like this skill comes naturally to those who don't have Asperger's disorder, nonverbal learning disorder (NLD), or other problems relating to others, the reality is that even the most popular people must constantly hone th... *The Social Success Workbook for Teens*
