Description :

PDF-9c0aa | Who built Stonehenge, and why is it one of the great mysteries of the prehistoric world? Here, Caroline Malone and Nancy Stone Bernard explore the myths, legends, and lies that have surrounded the ancient megaliths since the 12th century, when people believed that the sorcerer Merlin magically transported the stones to England. Readers learn why the druid myth still persists, how the structure was... *Stonehenge (Digging for the Past)*
