Description :

PDF-90e35 | Legend has it that one thousand years ago, a man dropped a porcelain tile. It broke into seven pieces: five triangles, one square, and one parallelogram. When he tried to reassemble the square, he discovered he could create hundreds of different images from just those seven pieces. *Tangram Magician* brings this ancient Chinese puzzle to the children and grown-ups of today. As the work of the magician ... *Tangram Magician*
