Description :

PDF-daa4f | This colorful, lively, and endlessly entertaining book for children looks at artistic illusion showing that art history is rife with tricksters. If seeing is believing, then artists might be the biggest liars of all. Painters, sculptors, and photographers often try to convince their audiences that the paint is wet; the fruit is real; the window is open; the figure's eyes are following you around ... *Trick of the Eye: Art and Illusion*
