Description :

PDF-0dc11 | This book introduces the mind, as distinct from the brain, and invites the reader to explore and develop their mind using scientific methods taught by Buddha. It shows how the problems we encounter in life do not exist outside of ourselves, but are part of our mind that experiences unpleasant feelings. Learning to control our mind, especially our desire, is the only way to bring all our problems to ... *What is Buddhism?: Buddhism for Children Level 3*
